The prior art of record has not taught the claimed first and second swap requests occurring in the claimed first, second and third clock cycles such that the two requests have a constant latency, as claimed in claims 1, 12 and 15.
2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
